

Fabrication Workshop Team Leader

- ⬢ Positive, friendly and fun culture
- ⬢ Excellent pay and overtime rates
- ⬢ Lots of career development opportunities

The Kernoohan Team

We are a friendly, positive and solution focussed team and we're proud of our great culture and excellent health and safety standards. Because we're well known in Nelson for delivering innovative and high-quality engineering solutions, we enjoy the opportunity to work in many different market sectors – our diversity is a key strength.

The Job

We're looking for an experienced team leader to coordinate and grow the work of our fabrication workshop team. In this role you'll be working with a great team of positive and dedicated fabricators at different stages in their careers.

Continuous learning is important to us. You'll have access to an onsite welding trainer to help you grow the skills and abilities of the fabrication team and with plenty of diversity you'll be able to get stuck into some really interesting projects.

About You

We need you to be

- ⬢ An excellent relationship builder and confident decision maker
- ⬢ Experienced in successfully leading a team
- ⬢ Positive and willing to take ownership of delivery
- ⬢ Commercially savvy to be able to quote and deliver profitable jobs
- ⬢ Willing to get hands-on at times with advanced fabrication skills
- ⬢ Able to read and interpret engineering drawings
- ⬢ Solution and delivery focussed

And most important of all – you'll need have a good sense of humour and a positive approach to everything you do.

To apply for this job please send your CV to jobs@kernoohan.co.nz or for a confidential chat, please call Ruth on 021 400 937

Please note that all applicants must have the right to live and work in NZ
