

## Pipe Welders & Fitters

- ⚙ Weekday and weekend work plus generous OT
- ⚙ Great development opportunities and diversity of projects
- ⚙ Competitive pay rates

### The Kernoohan Team

We're a friendly, positive and solution focussed team and we're proud of our great culture and excellent health and safety standards. Because we're well known in Nelson for delivering innovative and high-quality engineering solutions, we enjoy the opportunity to work in many different market sectors – our diversity is a key strength.

### The Job

Our specialised pipe welding team is growing and with a strong forward workload we're on the hunt for more talented professionals to join our vision of being exceptional engineers.

Opportunities are available for trade qualified pipe welders and fitters with significant hands-on expertise and skills. You'll have ASME qualifications, welding tickets and you'll be adept at working with stainless steel on food processing and/or wastewater projects.

For you just turning up isn't enough – you want to use your brain, solve problems, be fairly rewarded for your talent and associate yourself with a company you can be proud of. You'll relish being trusted to do what you do best - work smart, find solutions, own it.

With sizeable investment in your safety, training and wellbeing we're all about people and their safety. Our great company culture and building the skills of our teams are key to our ongoing success.

If you care about your own reputation as a professional pipe welder/fitter and want to work with a company equally committed to theirs, we'd love to hear from you.

**To apply for this job please send your CV to [jobs@kernoohan.co.nz](mailto:jobs@kernoohan.co.nz) or for a confidential chat, please call Ruth on 021 400 937**

**Please note that all applicants must have the right to live and work in NZ**
